

Gifted/Talented Program Plan

**Matrix for Joliet Public Schools**

Gifted and Talented Policy Statement

Students for the Gifted and Talented Program are identified by the following:

1. KBIT II Intelligence Test Score
2. MAPs test scores
3. Teacher referral
  - A student will qualify with these requirements:
    - a. Standardized Intelligence Test Score equal or above 130  
or
    - b. Total points equal of above 16 points
4. A team of teachers, administrators, counselor, and curriculum specialist evaluate students' scores for their placement into the gifted and talented program.
5. After a child is identified as gifted, the parents are contacted. Then students will be assessed on their strengths and interests.

1. Standardized Intelligence Test

Points	10	8	6	4	2
KBITII score	130	129-122	121-113	112-104	103-95

2. MAPs Test

Points	5	4	3	2
MAPs score	95+	90-94	85-89	80-84
